Professional Experience

Credit Analyst & Underwriter — MMP Capital

03/2024 – Present

Equipment financing and leasing company lending nationwide · Farmingdale, NY

- Underwrite equipment finance and leasing transactions up to \$1.7 million for commercial borrowers nationwide, holding independent credit approval authority to \$250,000.
- Analyze business and personal financial statements, tax returns, and bank statements to assess cash flow, liquidity, leverage, and repayment capacity under credit policy.
- Render credit decisions within hours on transactions averaging approximately \$150,000; structure and syndicate larger, more complex requests across approximately 10 lending partners, securing lender decisions typically within 24 hours.
- Structure term, pricing, collateral, and guaranty requirements with sales representatives to fit borrower risk profiles within credit policy and portfolio risk appetite.
- Present approvals, declines, stipulations, and counteroffers to brokers, vendors, sales teams, and lending partners, sustaining high-volume deal flow without sacrificing credit quality.
- Detect and escalate fraud indicators and policy exceptions during file review, protecting portfolio quality.
- Represent credit at weekend trade shows and vendor sales events, partnering with sales teams to accelerate financing opportunities.
